

Document Mailing **Guidelines**

Harding County is located in a very rural area. We do not have FedEx or UPS locations in the area. Please take this into consideration when mailing documents to the Clerk's Office. Follow these guidelines for fastest service.

- Documents may be shipped to the Clerk's Office via FedEx, UPS, and USPS.**
- For fastest service, self-addressed, stamped return envelopes will need to be able to be mailed through the United States Postal Service**
- Packages shipped overnight may not be delivered the next day.**
